

SPECIAL EDUCATION TEACHER REPORTING EXAMPLE

Mr. Smith is a special education teacher with Mild/Moderate Cross-Categorical certification. He teaches in a high school with 1935 minutes a week.

- He provides math and communication arts resource instruction for 250 minutes a week to 20 students in various high school grades
- He also co-teaches with a general education teacher in a 9th grade communication arts classroom for 250 minutes per week. There are 10 students with disabilities in the class. The general education teacher is the teacher of record
- He also teaches a special services math and science class to five 10th grade students for 250 minutes a week and gives the math and science grades to the students
- He provides life skills and resource instruction to one 10th grade homebound student for 500 minutes a week, and spends 150 minutes per week traveling to and from the student's home
- He also works with other general education teachers to assist them in modifying instruction to meet the needs of special education students per their IEPs for 100 minutes per week
- Mr. Smith also case-manages 15 IEPs, and he spends, on average, 185 minutes per week in case management activities
